If you are flying in, you have 3 options;
1-Portland (PDX) plus 3hr 18 minutes drive.
2- Seattle (SEA) plus 3hr 15 minute drive.
3- Pasco (PSC) plus 35-40 min drive.

For driving directions google Prosser, WA 9935.

Both Seattle (SEA) and Portland (PDX) have direct flights to Pasco (PSC).
If you rent a car, while both long drives have beautiful and scenic, well cared freeways, depending on your time of arrival/ departure "big city's traffic" might change those times.
Pasco (PSC) it's a very convenient and easy to fly in and out smaller airport.
If you were thinking flying out on the same day after class, that might be your best bet.
Keep in mind you are expected to go through security. SEA and PDX have much longer waiting times.
As far as Hotel please look at the flyers I am attaching. The class will be at the Best Western Inn at Horse Heaven. There is also a Holiday Inn express, both are within walking distance from multiple places and choices for food.

Book early!

Summer it's a popular time, we blocked a limited number of rooms at special course rate at The Best Western.
